Play value

Little protected flasks are placed in stainless steel stations and these can be filled with a multitude of fragrances. They should be renewed every three months or, alternatively, the fragrances can be swapped at this time. This is especially recommended for residences for senior citizen: it can give rise to guessing games and conversations.

Recommended for

- Kindergarten children
- School children
- Young people
- Adults
- Older people
- Public play areas without supervision, such as playgrounds, parks or similar
